# ON-TREND DESIGN FOR EVERY HOME

Whether you're looking for a contemporary bathroom or something more classic, Zaneti's wide range of bathroom furniture delivers beautifully on the latest British design trends. We offer a huge choice of styles, colours and finishes to suit any home – from spacious family bathrooms to cosy cloakrooms.

We have doors in over 29 gorgeous colours and woodgrains, from super-matt to high gloss. Handles for every taste. Mirrored bathroom cabinets, cleverly designed to make everyone look more like themselves. And distinctively handsome, hard-wearing sinks and countertops.

# MADE IN BRITAIN

We're proud to be members of Made in Britain, an initiative created to support and promote British manufacturing.

The campaign provides verification that our products have been made in Britain, giving customers the means to make informed choices about what they choose to buy.

## QUALITY BRITISH MANUFACTURE

Everything we do is very carefully considered, from the way we design our bathroom furniture to the way we make it – right here in Britain.

We add in extra touches to make you smile. Like soft-close doors that shut with a whisper. Integrated basins. Wall-mounted units to make cleaning the floor easier. Slimline units for the smallest spaces.

And our huge, centrally located manufacturing facility is fully computerised. So we can make and deliver our bathroom furniture quickly, perfectly, inexpensively, and sustainably.

## THOUGHTFUL, LOW-IMPACT BATHROOM FURNITURE

As a responsible manufacturer, we are careful about how we relate to the natural world around us.

We bring in raw materials sourced in the forests of Northumberland – not shipped from the other side of the world. Our manufacturing and logistics have been set up with sustainability in mind. And we ship from our plant in the centre of Britain, which minimises each delivery journey.

We also use environmentally friendly materials that don't emit volatile organic compounds, and which contain more natural minerals.

# IF YOU CAN DREAM IT, YOU CAN CREATE IT WITH **CORIAN®** **SOLID SURFACE**

For more than 50 years, Corian® has been trusted by millions of architects, designers and facility owners around the world – taking design in unique new directions, encompassing high performance and high-level beauty, and providing new solutions to commercial and residential spaces.

Corian® Solid Surface guarantees versatility, durability and the highest level of hygiene and performance – every time.

## Antarctica

The cool white background is enhanced with bright white flecks – it's simple, but visually beautiful.

## Calacatta Greige

A classic Cameo White background is imbued with the quiet luxury of beige and grey veins for a reserved, timeless look.

## Glacier White

Cool as ice, this classic, solid white transcends design definitions as the 'go-to' look for any style.

## Sparkling Granita

Translucent and sparkling particles create an effervescent effect in this fresh white surface.

## Dune Prima

The flowing white and sand veins on a beige backdrop suggest a seashore holiday.

## Grey Onyx

Flowing silver-grey veins in the white, translucent background create dignified opulence.

### HYGIENIC & EASY TO CLEAN

A smooth, non-porous finish prevents liquids from penetrating the surface, making it easy to clean with soap and water while leaving no place for bacteria and mould to take root.

### REPAIRABLE & RENEWABLE

Designed to withstand daily wear and tear to maintain a stunning appearance for many years. Scratches, chips and damage can also be repaired to make every surface look like new.

### DESIGN FREEDOM

Easily cut, drilled, backlit and thermoformable for moulding organic or linear shapes to provide endless adaptability for infinite design possibilities.

### SOFT & WARM

A unique feeling of sensorial touch and lighting effects for your design concepts. Pleasant and smooth to the touch with its silk-like surface, adapting itself to the climate of the environment.

### SUSTAINABLE

A low-VOC material that is free of dangerous chemicals and supports better indoor air quality. A selection of colours also contains recycled content, and the Corian® manufacturing facilities are zero waste to landfill.

### Modular Furniture

# ASPECT

The clean, contemporary lines of Aspect include a cleverly integrated horizontal gap, so there's no need for a handle. And with both wall-hung and floorstanding options, there's plenty of choice. What sets this range apart is its availability in unique sizes of 550mm and 650mm, designed to fit unconventional layouts seamlessly.

ZANETI | 167

We offer a 10 year guarantee on our furniture; this is limited to domestic users only. The terms of this guarantee are detailed below.

This guarantee covers the material elements of all cabinets and doors from material or manufacture defects. In the unlikely event of a product defect or failure and subject to the terms of this guarantee, we will provide free of charge replacement product(s) or part(s) within the lifetime of the guarantee.

1. We reserve the right to amend the specification referred to in these instructions without prior notice.
2. In the event of product discontinuation, we reserve the right to offer a suitable alternative product or part.
3. This guarantee is limited to the original purchaser and is not transferable.
4. All product supplied must be fitted in accordance with the instructions provided.
5. The furniture should be subject to normal domestic use only. Items should not be exposed to extremes of heat, moisture or poorly ventilated areas.
6. Adequate care and maintenance have been carried out in accordance with our instructions.
7. Any claims relating to this guarantee should be received in, writing at the agent's office stating the details of the product at fault; proof of purchase is required.
8. The provisions of this guarantee do not affect the customer's statutory rights.

#### EXCLUSIONS

9. All products not part of the material element of the cabinet or door i.e. sanitaryware, lighting, etc.
10. Components rendered defective as a result of improper or negligent use, substandard or incorrect installation.
11. Any deterioration resulting from reasonable wear and tear.
12. Any maintenance requirements, i.e. adjustment of hinges or the fitting of any replacement components provided by the supplier.
13. Product colour variation.

For the purpose of this guarantee, 'components' are defined as unit carcass, shelves, doors, hinges, handles, drawer frontages, drawer boxes and runners, and countertops.

Due to variations in the printing process, the colours might differ from the actual product. We advise viewing a sample to see the true colour and finish. The images may depict optional accessories that are not included in our standard specification.
